In our last email we invited you to attend the upcoming Red Pill Expo in Rapid City South Dakota this June 5th and 6th. You can go here to register and look into all those who will be in attendance:

We have been promised a side room in the Convention Center for you to meet and greet others working across the union trying to save our Republic. We would like to have our meet and greet Saturday afternoon at the convention center, and offer beverages and something to eat for those who make it. We may have a meeting on Sunday as well to ensure we accommodate all who came to the Expo but was unable to attend the meet and greet on Saturday. If you are planning to attend please let me know, so we can ensure plenty of beverages and snacks for all. You can find me at the National Liberty Alliance table and I will be able to give you some info as well as a confirmation of the place and time of the meet and greet meeting.

If there are questions or matters that you would like addressed please let us know by responding to these emails.
